It is certainly out of the common ofr a
horse to take fast records at both the trot
and pace in one season, as Kink Chimes
has done, but he is by no means the first
one to gain distinction at both ways of
going. Up at Eacine there is a little, old
black gelding whose record beats that of
all the modern horses when it comes to a
combinatio nof trotter and pacer. This
horse is Jay Eye See. He is a pony in size

Racers With Records as Pacers and Trotters.

TROTTING - BRED PACERS

How the Trainer May Change a Horse's Gait.

Chloago, Nov. 8 .- H. T. White writes in

New York papers are calling attention to the fact King Chimes, who won a trot ting race at the recent meeting there, tak

has done but he is by no means the first one to gain distinction at both ways of Then Geers got up behind The Abbot, adblack gelding whose record beats that of won the next three heats, closing the seaall the modern horses when it comes to a son gloriously and placing to The Abbot's combinatio nof trotter and pacer. This credit the fastest five-heat race ever trotforse is Jay Eye See. He is a pony in size | ted. but about fifteen years ago he astonished people by trotting in 2:10 as a 4-year-old, se figures representing championship mile in 2:10, being the first to perform that feat. Maud S. overshadowed himin speed and so regained her lost laurels, but Jay little while, just as he had been a star

among the 4-year-olds. After the horse had been in retire ment veral seasons, Jackson Case, who inherited his father's love for harness horses, took Jay Eye See in hard, and soon found that he had even more speed at A brief campaign, at that way of going gave him a pacing record of 2:96%, and he at Lexington. stands today the champlon of all the

double-gaited horses. as they are rigged, that present-day train ers pay little attention to the matter, mer ely letting the animal stick to the gait which he prefers. This is done by the use of toe-weights, the elongation or shortening of the toe, or possibly by simply changing the weight of the shoes, it being a common thing for a double-gaited horse to be taught to pace simpy by shoring him rather heavy behind

and light in front.

In the days when farst trotters were scarce much time and ingeunity was expended by trainers in making trotters out of animals whose natural gait, was the Smuggler, who for seven years held the record for trotting stallions by a mile in 2:154, was a notable example of what could be done in this line by a pat-ient and thoughtful man, and Charles stance of this cort. His sire was the trot Marvin, who was wholly responsible for the transformation of Smuggler from a \$300 pacer to a \$20,000 trotter, is still in the business, and this season gave evidence that his hand had not lost its cunning He took Extasy, that in 188 won the one ing Futurity for 2-year-olds in 2:19%, and made her over into a 3-year-old trotter oin all the big stakes for trotters ofinty that was good enough to figure promirently in all the big stakes for trotters ted a fourth heat 'n a race in 2.11%, the duced their marks to 2:07 or better, it is best performance of the kind in the books A good many years ago there appeared on the trooting terf a mare called Minnie R. She was a fast one, but unsteady and it was understood that the blood of the thoroughbred figured largely in her "Knapšack" McCarthy gave Minnie R, a trotting record of 2.13, and a year or so later she came under the man agament of John Solan. He saw that the on with light forward shoes where who ad previously been wearing heavy ones Thus rigged she paced in 2:161/2, winning some good races. Among her opponents black gelding Jewitt. This horse prop held the 3-year-old chamlenship for trotting geldings, with a record of 2:23%, as he always wanted to pace, and when permitted to go that gait speedily became But Minnie R. was not to retire with on ly two records-both better than 2:39-at different ways of harness racing. As she idted like a good pole mare, Splan hook. she paced a mile in 2:03%. It will be seen therefore, that because King Chimes has taken a record of 2:10% trotting and 2:11% pacing, he is not a wonder, or even a cu

no sane man could answer. J. Malcom Farbes, who gave \$125,000 for Arlon, \$40,000 for Nancy Hanks, and \$30,600 Eye See was the world's champion for a for Peter the Great, is another owner who doesn't bother his driver during a race but his trainer, Titer, lacks the skill and

experience of Geers. In Peter the Great he and this season the greatest horse in the country, barring The Abbot, and the horsemen were almost unanimous in the belief that with the pace than he had shown at the trot. different handling the colt should have won the Transylvania and the 2:10 trot But Titer is a bright young New Englander, who is improving al the time, and he is thoroughly loyal interchange the trot and pace, according him to others of more skill and experi-

The high class of the pacing performances is best appreciated when it is stated that 52 sidewheelers entered the 2:10 list during the season just cloved, while 21 that were previously members of the 2:10 circle reduced their marks.

It used to be the rule that a pacer of any consequences was pacing bred, Pocahontas, Brown Hal, and Little Brown Jug all of which were champions in their day, being cases in point, but this is no longer the case. On the centrary, a great ma-Scrity of the 2:10 pacers of the present day are trotting bred, some of them not only by sires with trotting records, but also out of mares which in their racing days gained creditablemarks at that way ter Patron, 2:1452, he by Pancoast, 2:21%. The dam of Ananias was Annie W. 2:23 trotting, she by Almont Jr., 2:29. This is purely a trotting pedigree, and Mr. C. F. Emery of Cleveland, bred Ananias in the full expectation of getting a trotter. Instead of that the colt was a pacer from galt when only I years old. Taking from the new 2:10 pacers of 1899, those that went in 2:07 or better and also those previously in the list that this season rethan eleven of the twenty-one in the list by sires with trotting records, no less

Edith W ..... 2:0614. B Lomond Jr., 2:27 B'ly Andrews 2:0614. Bow Bells ..... 2:1954 Arlington ... 2:065. Allie Wilkes .. 2:15 Miss Logan . 2:004... Gen. Logan ... 2:204

what might be termed strictly trottingbred, but only those sires are in the 2:30 trotting list. One pacer outside the 2:07 mark is Moth Miller, 2:0715. He is by Alcantara, 2:23, and his dam was Dusty Miller, 2:234, bith trotters. It is true that by Star Pointer, who is pacing bred, but his sire. Brown Hal, could not trot a ago right here in Chicago. At that time he had shown 2:21, and was put to pac-

ing a season or so later. All this goes to show that not only the trot and pace are different forms of the same galt, but that the best bred trotting sires are getting the highest class ncers. C. K. G. Billings of this city has a strictly trotting-bred pacer in Bumps, 2:034, and it is doubtful if Star Pointer at his best could have equalled that per-Lady of the Manor, 2:045. which is the best pacing record for a so are John R. Gentry and Joe Patchen. their sires having trotting records better than 2:30. As the trotting-bred horse has displaced the imported Hackney in the show and sale ring for burses with action, style, and speed, so he is rele gating to oblivion the old fashioned pacing bred pacer of the high withers; law rump, and scuffling galt that made him so unpleasant as a road horse. The modern racer jogs on a trot, has his feet well under him when called for a burst of speed, and is in every way a model road.
